

the latest videos featuring the latest in fire-fighting tactics, as well as attend seminars where they can obtain the knowledge they need to save lives. Within a year of becoming a volunteer firefighter, most attend the Tennessee Fire Training School in Murfreesboro where they undergo further, intensified training.

When the residents of my district go to bed at night, they know that should disaster strike and their home catch fire, well-trained and qualified volunteer fire departments are ready and willing to give so graciously and generously of themselves. This peace of mind should not be taken for granted.

By selflessly giving of themselves, they ensure a safer future for us all. We owe these volunteer fire departments a debt of gratitude for their service and sacrifice.

THE 25TH ANNIVERSARY OF RURAL HEALTH CORPORATION

HON. PAUL E. KANJORSKI

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 9, 1996

Mr. KANJORSKI. Mr. Speaker, I rise today to recognize the 25th anniversary of the Rural Health Corp. of northeastern Pennsylvania [RHC]. Tomorrow, the RHC board of directors, employees, and friends of the agency will celebrate 25 years of success, and I am pleased to have been asked to participate in this event.

The Rural Health Corp. has been instrumental providing public health services to the residents of northeastern and central Pennsylvania. The RHC is a private, nonprofit corporation that was founded for the purpose of providing primary and preventive health care to the medically underserved. It concentrates its efforts on helping those people who are isolated geographically or economically from major health service centers, and who have limited alternative health resources.

The RHC is governed by a volunteer, unpaid board of directors selected from the areas served by the corporation; over 50 percent of the board members have utilized the facility's services. The corporation currently serves almost 18,000 individuals throughout the area, providing comprehensive pediatric, adolescent, and adult health care at six medical and three dental centers. Other services include community health education, nutrition education, and transportation.

The first patients were seen by the RHC staff in January 1971, in the first RHC building. By 1973, three additional buildings had been constructed to serve the rapidly growing number of patients that were seeking services from the RHC. The next 4 years focused on expanding services, and strengthening the quality of care. Since 1977, two additional medical centers and one dental center were opened, and a new building replaced the RHC's original facility. In addition, the RHC opened a pharmacy, and a centralized management information system complete with computerized financial, billing, and patient data systems.

RHC has participated in a number of innovative health care programs. Between 1984 and 1988, the corporation established the PennCare Health Plan, a prepaid health care

program for medical assistance recipients. In the fall of 1987, the RHC launched the Luzerne County Integration Project to replace the Pennsylvania Department of Health's Immunization Program, which was then terminated in Luzerne County. The corporation administered the area's State subsidized program of vaccination for pediatric patients.

In 1987, the RHC responded to a Federal initiative to extend health services to the homeless under the Stewart B. McKinney Homeless Assistance Act. Services provided by the medical care facility include patient outreach and case management, mental health and substance abuse counseling, emergency and inpatient hospitalization.

The services that the RHC has provided during its years of operation have saved and improved the lives of thousands of people. During its 25-year history, the RHC has evolved from a small county practice into one of the largest providers of primary care in the region, and one of the largest nonprofit community health center programs in the Commonwealth of Pennsylvania. The RHC can be proud of all that it has accomplished. I salute the Rural Health Corp. of northeastern Pennsylvania and wish it continued success as it strives to improve the quality of lives of the people it serves.

TRIBUTE TO JAMES R. NUNES

HON. GEORGE MILLER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 9, 1996

Mr. MILLER of California. Mr. Speaker, I rise today to pay tribute to James R. Nunes, who is retiring after 33 distinguished years as a police officer and 17 years as Chief of Police in Pleasant Hill, California.

Chief Nunes' distinguished career began in 1959 when he served as a military police officer in the United States Army. He then progressed through the ranks in both the Hayward and Sausalito police departments.

In 1979, he arrived in Pleasant Hill to serve as Chief of Police. He has maintained that esteemed rank to the present, and retires with pride after a long and meritorious career serving the Bay Area.

Chief Nunes has proven himself as a leader among leaders in the field of law enforcement officers and he embodies the very best in community spirit. Beyond his professional duties, he has volunteered his time and energies to a variety of organizations and activities. His caring and dedication are hallmarks of both his professional and personal life.

I know that the other members of the House will join me in thanks to Chief James Nunes for his years of dedicated service to society and wish him the very best in the future.

TRIBUTE TO COMDR. CHESTER O. BURTON, U.S. NAVY

HON. OWEN B. PICKETT

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 9, 1996

Mr. PICKETT. Mr. Speaker, I rise today to recognize a truly outstanding naval officer,

Comdr. Chester Burton, Supply Corps, U.S. Navy, who will soon be completing his tour of duty in the Navy's Office of Legislative Affairs. It is a pleasure for me to recognize several of his many outstanding achievements.

A native of northern Wisconsin, Commander Burton received an undergraduate degree in marketing from St. Cloud State University in St. Cloud, MN. After growing up in a rural farming community, Commander Burton felt what better way to see the world than to join the navy. After completing Officer Candidate School in Newport, RI, Chet was commissioned an Ensign in September 1980. He subsequently attended the Navy Supply Corps School in Athens, GA, completing the qualifications to be designated a Supply Corps Officer. After completing basic submarine school Commander Burton reported as Supply Officer of the submarine *LaJolla* (SSN-701) being built at Electric Boat in Groton, CT. During his tour aboard *LaJolla*, Commander Burton was a member of the Commissioning Crew and participated in the ships changing homeport to San Diego, CA.

Following his initial sea tour, Commander Burton served at the Naval Supply Depot in Guam. He then reported to the Naval Air Systems Command in Arlington, VA, where he was selected to participate in the Navy Acquisition Contracting Officer internship program. Due to his outstanding performance as contracting officer for the Rolls Royce engine used on the AV-8B Harrier Jet, he received the Secretary of the Navy's award for excellence in fostering competition and reducing procurement costs.

Subsequent to his tour at NAVAIR, Commander Burton returned to sea duty aboard the submarine tender U.S.S. *Dixon* homeported in San Diego. He then did back-to-back sea tours reporting as Supply Officer aboard U.S.S. *Ohio*, a trident class ballistic missile submarine.

Due to his outstanding performance, he was selected to attend postgraduate school after completing his tour aboard *Ohio*. Commander Burton completed a masters of business administration degree at the University of Virginia's Darden Graduate Business School in May 1991. Following graduate school he reported to the Pentagon where he was the executive assistant to the Director of the Supply Programs and Policy Division, a Navy rear admiral, on the Chief of Naval Operations staff.

Commander Burton reported to the Navy Legislative Affairs Office in August 1993. During his tenure Chet has been considered the navy's procurement expert on Capitol Hill. In addition to handling literally thousands of inquiries relating to naval contracts, he has been responsible for organizing numerous government small business conferences in which many of our constituents have learned the basics about contracting with the Federal Government.

Mr. Speaker, Chet Burton, his wife Amy and their two children Douglas and Sarah, have made many sacrifices during his 16-year naval career. Serving on two submarines and a submarine tender, Chet has spent a significant amount of time underway away from his family to support the vital role our naval forces play in our national security. Commander Burton is a great credit to the U.S. Navy and the country he so proudly serves. As he now prepares to depart to yet another new challenge, I call upon my colleagues from both sides of the
